WARNINGS/CAUTIONS BEFORE STARTING INSTALLATION

Before you install this kit – Read and understand all instructions, warnings, cautions, and notes contained in this installation instruction guide. Consult your vehicle owner’s manual for proper disconnection of electrical and lifting of vehicle if required for installation of this product.

This install may require some technical skills and knowledge of basic mechanical work. If you do not feel that you are capable of performing this install please take this product to a trained professional.

After reading this guide please contact us with any questions or concerns before installing product.
Customer Service: 855-680-9595

DV8 Offroad is not responsible for any bodily injury or harm to you or your vehicle as a result of an improper install.

Proper installation of this kit required knowledge of the factory recommended procedures for removal and installation of original equipment components. We recommend that the factory shop manual and any special tools needed to service your vehicle be on hand during the installation. Installation of this kit without proper knowledge of the factory recommended procedures may affect the performance of these components and the safety of the vehicle

- Always wear eye protection when operating power tools

Inspect all contents of this package to make sure product is not damaged and all installation hardware has been included. If parts are missing from kit, please be prepared to provide the following information

1. Name of purchase location
2. Bar Code on side of box
3. Date above bar code
4. Date inside box cover

INSTALLATION MANUAL

Begin by unpacking all items and inspecting for missing pieces or damage. If you have any concerns, please contact the company the product was purchased from. Extra hardware may be included with the product.

HARDWARE INCLUDED

- (4) M6x25mm Allen Head Bolts
- (4) M6 Flat
- (4) M6 Split Washers
- (4) M6 Nylon Lock Nuts

STEP 1 | The DV8 Roof Rack Handle can be ran with either the provided logo plate or a LED light.

Popular compatible LED Lights:
DV8 Micro Elite Utility Light
Baja Designs Rock Light
Rigid Industries A-Series Light

INSTALLATION MANUAL

STEP 2 | Logo Installation

Place the provided logo plate onto the roof rack handle. Secure the logo plate to the handle using the provided M6 hardware, a #4 allen tool, and a 10mm wrench.

Use (1) M6 flat washer and (1) M6 split washer on the nylon lock nut side. (Green arrow)

INSTALLATION MANUAL

STEP 3 | LED Light Installation

Route the lights wiring harness through the handle

STEP 4 | Secure the light to the handle using the provided M6 hardware, a #4 allen tool, and a 10mm wrench.

Use (1) M6 flat washer and (1) M6 split washer on the nylon lock nut side. (Green arrow)

INSTALLATION MANUAL

STEP 5 | The Roof Rack Handle uses two of the M6 cross bar mounting bolts.

Remove the two M6 cross bar bolts using a #4 allen tool.

STEP 6 | Secure the handles to the DV8 roof rack using the two M6 cross bar bolts

INSTALLATION MANUAL

STEP 7 | Double check that all hardware is secure. Congratulations installation of the DV8 Roof Rack Handles is now complete.
