

MT CLASSIC FORGED WHEEL

FINISHES: POLISHED

The all-new **MT CLASSIC FORGED** wheel takes the iconic Classic 8-hole wheel design to the next level with modern enhancements. Monoblock forged construction with 6061-T6 aircraft aluminum is utilized for superior strength, lighter weight, and enhanced performance compared to traditional die-cast wheels. Showcased in a brilliant white Polished finish, this wheel is available in extreme 14" and 16" widths and aggressive 3.5" backspacing. Backed by a Lifetime Limited Structural Warranty, the MT Classic Forged wheel is the perfect choice for both classic and modern builds.
