

NiTRO PROLINX

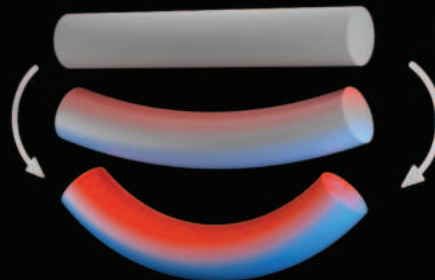

PROGRESSIVE DENSITY TECH

FIRM AND STABLE
AT THE RIM WHERE YOU NEED IT

PLUSH AND COMPLIANT
AT THE TREAD WHERE YOU WANT IT

100% FLAT PROOF
100% ADJUSTABLE
100% GAME CHANGER

RESHAPING PERFORMANCE

NITROGEN ENERGIZED PROGRESSIVE PERFECTION

PROLINX start as four straight uniform density sections, when fit into the tire the microcells are condensed around the rim and expanded around the crown of the tire.

FIRMER around the rim and sidewalls for amazing cornering stability and increased rim protection.

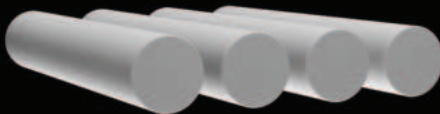

FIRM

MID

SOFT

SOFTER around the crown for incredible traction, increased bump absorption and a plusher, more planted ride.

INCLUDES
4 LINX
COOLING GEL
& INSTALLATION
INSTRUCTIONS

PROLINX PROVIDE A MASSIVE RANGE OF ADJUSTABILITY

Get the FEEL you want, from SUPER SOFT (6 psi/0.41 bar) to EXTRA FIRM (16 psi/ 1.1 bar)
The sectional design allows you to perfectly tune the fit and feel with any tire. Just follow the TUNING LINK guide in the installation instructions to get the desired PSI feel you want. And after the initial install, you will still have the ability to adjust the psi feel up or down anytime you like.

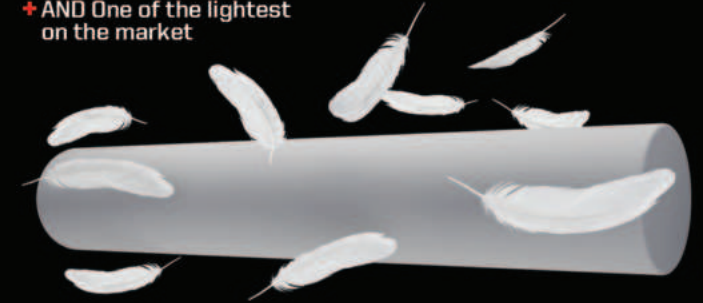

SIMPLE AS:

- 1 Cut one of the sections to length per the supplied TUNING LINK guide to get the feel you want.
- 2 Insert it and the three other full LINX in the tire and finish installing like a typical mousse.
- 3 GO SHRED, 100% FLAT FREE & HAVE FUN!

ALL NEW SUPER VISCOELASTIC NITROGEN ENERGIZED MATERIAL

- + Improved traction, with better bump absorption and plusher ride.
- + Increased stability during hard cornering and steep side-hilling.
- + "Progressive Density" Technology takes performance to the NEXT LEVEL!
- + AND One of the lightest on the market

ULTRA LONG LASTING

Every set comes with an extra "WEDGE" section so you can re-stuff as needed to maintain the desired psi feel as they wear. This can help to get 2-3 times the life out of each system.

MORE TRACTION
MORE STABILITY
MORE TUNABILITY
MORE CONTROL
MORE WEIGHT SAVINGS
MORE LONGEVITY

MORE CONFIDENCE! MORE SPEED! MORE FUN!
