

Universal X1 Series Module

PN# 9-000-UX1, 9-201-UX1, 9-301-UX1
and 9-401-UX1

The DeatschWerks Universal X1 Series Module is now available in a universal fitment. The module features accommodation for one pump, a return fuel line, integrated surge bucket and venturi siphon functionality. The module consists of a top-hat, gasket, support tube, installation kit and bucket. These components work together to deliver the flow you need and the OE functionality you want.

- Integrated surge bucket for slosh free performance
- Built in venturi siphon system to eliminate fuel starvation
- 8AN ORB Feed, Low profile swivel fitting included
- 6AN ORB Return, Low profile swivel fitting included
- Optional 4AN ORB Vent, 5/16" barb fitting included
- Universal cut to fit design, fits up to 20" deep fuel tanks
