

PART# 99400511
UNIVERSAL INTERIOR RF REMOTE MOUNT
BRONCO 2021-4 + 2021

- Included:
+ RF Universal Mount
+ Visor Clips

Installation:

- 1) Remove driver side hardtop panel or open factory soft top (Image #1)

- 2) Fold down Driver side sun visor and lightly pull up the rubber roof seal to expose the edge of the plastic trim panel as shown on (Image #2 & #3).

- 3) Attach remote flat mount by clipping metal clips over the back edge of the plastic trim panel (Image #4)

- 4) Replace rubber over the trim piece as necessary (Image #5)
