

DITCH THE RESTRICTION.

THE AWE AXLEBACK EXHAUST SUITE FOR THE '22+ SUBARU WRX

Patented drone-canceling 180 Technology®, perfect bolt-on fitment, aggressive tip options, and a soundtrack that only AWE can deliver, all proudly engineered, designed, and manufactured in-house, in Pennsylvania. Presenting the AWE Axleback Exhaust Suite for the Subaru VB WRX.

TRACK EDITION

Light, loud, and straight to the point. Saves 14lbs over the stock mufflers.

TOURING EDITION

Equipped with AWE's patented drone-canceling 180 Technology® for a smooth, aggressive tone regardless of RPM.

3015-43424	2022+ VB Subaru WRX	Touring Edition	Axleback	50-State Legal	Yes	4	Diamond Black	
3020-42424	2022+ VB Subaru WRX	Track Edition	Axleback	50-State Legal	No	4	Chrome Silver	
3020-43424	2022+ VB Subaru WRX	Track Edition	Axleback	50-State Legal	No	4	Diamond Black	

Mates seamlessly to existing flanges on the factory mid pipe.

AWE's proprietary drone-canceling solution delivers a drone-free, aggressive tone.

Chrome silver tips provides a clean, classic look to the rear of the WRX.

Diamond black tips pair sophisticated aesthetic with aggressive sound.
