

# THE AWE C7 CORVETTE EXHAUST SUITE

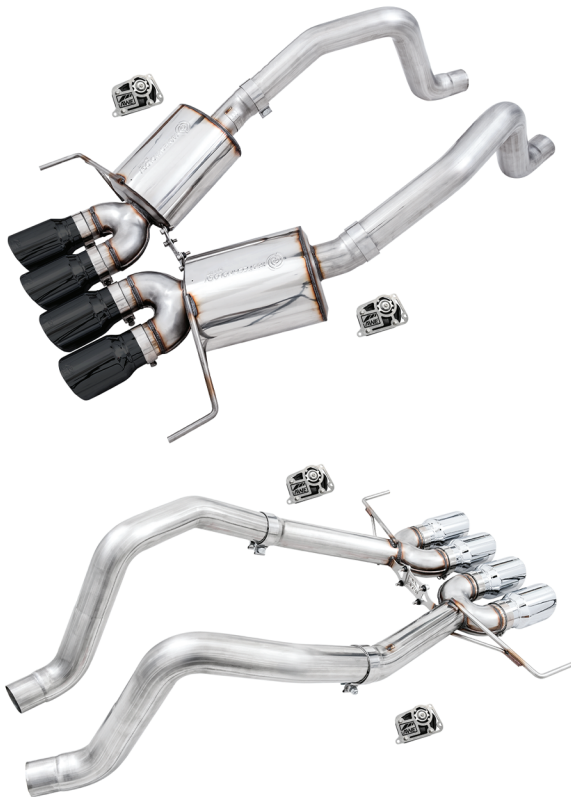

An exhaust lineup that changes the standard for the Corvette performance exhaust market. Maximum power, patented drone-canceling 180 Technology®, unprecedented fitment, USA-built lifetime warranty, and a signature soundtrack that only AWE could deliver.

## PRODUCT LINE

The AWE Exhaust Suite for the C7 Corvette features handcrafted, 100% made-in-the-USA exhaust configurations tailored perfectly for the C7 Corvette Stingray / Z51 / Grand Sport / Z06 / ZR1.

### THE NEW SOUND OF CORVETTE:

- **Weight savings of 10 lbs (Touring Edition) and 23 lbs (Track Edition) compared to stock**
- **Peak gains of 18 hp and 16 ft-lbs of torque, and max gains of 22 hp @ 6400 rpm and 20 ft-lbs of torque @ 4000 rpm, at the wheels**
- Proudly engineered, designed, and manufactured in-house at AWE, in the USA
- Handcrafted from 3" U.S.-sourced CNC mandrel-bent .065" wall T304L stainless steel
- AWE AFM Valve Simulators allow AFM-equipped cars to run full axleback exhausts
- Axleback Exhausts available as sophisticated Touring Edition or the raucous Track Edition
- Tip options include quad 4.5" double-walled slash cut tips in chrome silver or diamond black
- Less is more: clean, non-baffled, straight-through design maximizes performance
- Touring Edition features AWE's proprietary straight-through drone-canceling solution, 180 Technology®
