

THE SOUNDS OF N55/B58 PERFORMANCE.

THE AWE PERFORMANCE LINE FOR THE BMW F3X 335i/435i/340i/440i

N55 MOTORS (335i/435i)

B58 MOTORS (340i/440i)

AWE TOURING EDITION AXLEBACK EXHAUST

Patented drone-killing 180 Technology®, T304L stainless construction, and aggressive tip options. This is the perfect axleback to compliment the N55 & B58.

AWE NON-RESONATED PERFORMANCE MID PIPES

Performance Mid Pipes can be paired to the stock exhaust, or match them up with an AWE Touring Edition for maximum bolt-on rumble.

AWE EXHAUST SUITE FOR THE BMW F3X 335i/435i/340i/440i

Performance Mid Pipes are designed with inlets tailored specifically to match factory fitment.

Every Touring Edition Axleback Exhaust features AWE's patented drone-killing 180 Technology®.

Touring Edition Axlebacks feature brackets to secure the factory valve motor safely.

Chrome silver slash-cut tips add a significant dose of classy aggression to the rear.

AWE's signature diamond black matches BMW's shadowline trim perfectly.
